

## Assistant Professor Positions at the Department of Management and Technology

The Department of Management and Technology at Bocconi University has multiple openings for full time tenure-track faculty positions at the Assistant Professor level, starting from September 1<sup>st</sup>, 2021. We seek applications to all areas of management scholarship, including Entrepreneurship, International Business, Organization and Management Theory, Organizational Behavior, Strategy, Corporate Governance and Family Business, and Technology and Innovation Management.

The Department of Management and Technology has a long tradition of intellectual accomplishment anchored by senior leaders in the fields of technology, strategy, and organization theory. In 2020 the department was ranked 7th worldwide (3rd in Europe) for business and management in the QS Worldwide University Ranking, which weighs research productivity, academic reputation, and reputation among recruiters. The department is in a sustained period of growth and internationalization, with over 20 faculty members hired across all levels in the last five years.

Applicants should demonstrate the capacity for exceptional research achievement and the ability to teach effectively in undergraduate, masters, MBA, and Ph.D. programs. Experienced candidates should have an established track record of successful research and teaching.

**Complete applications are due through the online system at [www.unibocconi.eu/jobmarket](http://www.unibocconi.eu/jobmarket)**

All candidates must submit their completed applications comprising: a job market paper, research statement and three recommendation letters by 23:59 (Italian Time) on **Sunday, September 13th, 2020**.
