COMPETITION FOR THE CONFERRAL OF 1 COLLABORATION CONTRACT AT UNIVERSITA' COMMERCIALE "LUIGI BOCCONI" OF MILAN, SDA-CERGAS, FINANCED BY EUROPEAN COMMISSION, HORIZON 2020

Article. 1

Università Commerciale "Luigi Bocconi" of Milan is launching a competition based on qualifications and tests for the conferral, by means of an appropriate contract, of 1 collaboration contract with the following characteristics:

Duration: 6 months (01.1.2021-30.06.2021)

At: SDA Bocconi - CERGAS

Financed by: European Commission, Horizon 2020 programme

Scientific Coordinator: prof. Aleksandra Torbica

Research Project: COMED – "Pushing the boundaries of Cost and Outcome analysis of Medical Technologies"

The overarching objective of the COMED project is to push the boundaries of existing methods for cost and outcome analysis of healthcare technologies, both within the Health Technology Assessment (HTA) and Health System Performance (HSP) frameworks and to develop tools to foster the use of economic evaluation in policymaking. Within this general agenda, the COMED project explores a very broad range of healthcare technologies that are classified under one specific category: medical devices. Within COMED, WP2 aims to improve the decision-making process concerning new or existing technologies whose evidence base is mainly supported by surrogate outcomes.

Job description:

He/she will be responsible to coordinate the WP2 in COMED and to report to Bocconi Senior Staff involved in the project. This will include ensuring high quality deliverables according to the planned timelines. He/she will conduct research as per the allocation of tasks, supervise the postdoctoral research fellow involved in the project, and provide feedback on all other WP work streams. He/she will also contribute to different dissemination activities such as publishing in high quality peer review journals and presenting results at conferences (or other relevant events). The role will also involve project management tasks and coordination activities with other WPs.

Admission Requirements

In order to participate in the competition, the candidate must have the following requirements:

- PhD in Health Care Management, Health economics or related areas;
- Team working and leadership skills;

- Experience in the use of statistical and econometric software (e.g. STATA).

Relatives (up to the fourth degree of kinship) of professors in the University Council, the University Rector, or the Director General may not apply.

Candidates must be in possession of the above-mentioned requirements by the deadline for the presentation of applications as indicated in this advertisement.

Candidates may obtain conditional acceptance. At any time, the administration can arrange, within reason, exclusion from the selection procedure due to the lack of the necessary requirements.

Article. 3 ***Applications***

The attached Application Form, addressed to the Rector of Bocconi University, must be sent to the “Faculty and Research Division” office at recruiting_ricerca@unibocconi.it. The deadline for submitting applications is **5 pm on 30/12/2020**.

Applications must clearly indicate:

- Name and surname
- date and place of birth
- fiscal code (codice fiscale)
- citizenship
- residence
- contact address
- qualifications

The application must include the following documents, which must be attached and sent via e-mail:

- PhD certificate, in pdf format;
- professional CV, in pdf format;
- publications.

Article. 4 ***Evaluation Committee***

The Evaluation Committee is composed as follows:

- 1st member: Director of the Research Centre or a representative
- 2nd member: Scientific Supervisor
- 3rd member: a person jointly appointed by the Director of the Research Centre and the Scientific Supervisor

The selection will be carried out by means of an evaluation of qualifications and an interview.

The Committee can allocate a maximum of 100 points for each candidate:

- maximum 40 points for the evaluation of the CV, academic qualifications;
- maximum 60 points for the evaluation of the interview.

Based on the selected range for the evaluation of the CV, academic qualifications and scientific publications, the Evaluation Committee may indicate, in the evaluation minute, a minimum threshold for being admitted to the interview stage.

The total (phase 1 and phase 2) minimum score to be included in the ranking list is 60.

Candidates will be informed of the interview date via e-mail, with suitable advance notice. Interviews may be held via conference call, or face to face at the University premises.

The Committee will evaluate the candidates and will rank these based on the scores obtained. The list will be valid until the end of the project, should the Scientific Coordinator wish to use the same list to recruit additional researchers.

Winning candidates will be notified in writing of the award decision. Candidates must sign the contract at the latest 15 days after receipt.

The contract is individual and indivisible.

Article.5 ***Rights and Duties of the Contract Worker***

The contract will have a duration of 6 months and is likely to run from January 2021.

Conferral of the contract implies a commitment to undertake research and dissemination activities at the university or any other contractually agreed location.

The normal obligations of the Contract Worker include:

- Research activity in the context of the Research Project, under the supervision of Prof. Aleksandra Torbica, Scientific Coordinator of the project who will assess the activity undertaken.

Activities undertaken outside of the scope of the contract, should not conflict with the contract with the University. The Director of the Centre will assess potential conflicts of this nature, following a consultation with the Scientific Coordinator.

Such circumstances will lead to the termination of the contract.

The conferral of the contract does not constitute an employment contract and does not confer any rights to teaching roles within the University.

Article.6 ***Financial Compensation***

The amount of the contract is €12.000 gross for the whole contract duration.

The University will provide accident and liability insurance cover.

Payments will be normally made in monthly post-dated instalments, following the submission, by the deadline indicated by the Administration Department, of a payment note signed by the Scientific Coordinator who will verify the activity undertaken.

Article.7
Causes of deferral or suspension of the contract

If a candidate is on maternity leave, minimum payments will be made by INPS (national insurance) with a top-up payment made by Bocconi University up to the monthly amount of the contract.

Article. 8
Treatment of Personal Data

All personal data supplied to the Faculty and Research Division of Bocconi University will be used for the current evaluation procedure and for the conferral of a collaboration contract.

Article. 9
Advertising

The advertisement of the above-mentioned position is published on the Bocconi University website. Bocconi University may also publish this advertisement on the main international job opening websites for this sector. A copy of this advertisement is available from the Faculty and Research Division.

This advertisement is also published in Italian. In case of discrepancies between the Italian and English texts, the Italian version will be considered definitive.
