

ASSISTANT PROFESSOR POSITIONS ANNOUNCEMENT

Department of Decision Sciences
Bocconi University, Milan, Italy

Università Bocconi, Milan (Italy, www.unibocconi.eu) invites applications for tenure-track positions at the junior faculty level in the Department of Decision Sciences.

There will be a special emphasis for the areas of:

- Applied Mathematics/Optimization
- Applied Statistics and Econometrics
- Decision Theory and Game Theory (theoretical and experimental)
- Decision Analysis and Risk Analysis
- Probability and Theoretical Statistics
- Machine Learning
- Quantitative Methods for Operations Research
- Algorithmic Game Theory and Optimization
- Interfaces between Operations Research and Computer Science and related fields.

Knowledge of Italian is neither required nor advantageous. Responsibilities include teaching and, most importantly, productivity in research. Preference will be given to the most qualified candidates independently of their specific field of research. Applicants should have— or be close to completing —a Ph.D. and proof of having established potential in research and teaching.

Contracts will run for up to eight years (with one paid sabbatical year and subject to renewal after the first three years). There is the possibility of promotion to a tenured position by the end of that period. Compensation and teaching load will be competitive with other top European Schools.

Application must be submitted online at **www.unibocconi.eu/jobmarket**

Applications of candidates interested in all fields must be received by **January 15, 2016**.

Candidates whose fields of interest are in the broad area of Operations Research and Management Science may be interviewed at the 2015 INFORMS meeting, to be held in Philadelphia, November 1-4, 2015. Such candidates must send their applications by **Thursday October 15th, 2015** through the online form at: www.unibocconi.eu/jobmarket.

Candidates whose fields of interest are in Decision Theory and Game Theory (theoretical and experimental) and related fields may be interviewed at the 2016 ASSA meeting in San Francisco, January 3-5, 2016. Such candidates must send their applications by **December 1st, 2015** through the online form at: www.unibocconi.eu/jobmarket
