

The EU 7th Framework Programme for research funding

The image shows a screenshot of the European Commission CORDIS website for the Seventh Framework Programme (FP7). The website header includes the European Commission logo, the text 'CORDIS', and navigation links like 'Print', 'Legal Notice', 'Search', 'Contact', and 'English (en)'. Below the header, there are tabs for 'News', 'Funding', 'Results', 'Themes', 'Go local', 'Look it up', 'Interact', and 'Help'. The main content area features a search bar, a navigation menu, and a central grid of four colored boxes: 'Cooperation' (red), 'Ideas' (orange), 'People' (purple), and 'Capacities' (pink). Below this grid are sections for 'Euratom' and 'JRC'. On the right side, there is a section titled 'What type of participant are you?' with buttons for 'Private company', 'Public organisation', and 'Individual researcher'. On the left side, there is a list of links: 'Understand FP7', 'Participate in FP7', 'Find a call', 'Register your organisation', and 'Preparation and Submission of Proposals (EPSS)'. Four callout boxes with arrows point to specific areas: 'Projects in partnership with other institutions' points to the 'Cooperation' box; 'Projects of brilliant researchers (jr/sr)' points to the 'Ideas' box; 'Human resources in research' points to the 'People' box; and 'Research capacities' points to the 'Capacities' box.

About this service | What type of participant are you?

The Seventh Framework Programme (FP7) is designed to support a wide range of participants:

Private company
Public organisation
Individual researcher

Cooperation Ideas
People Capacities

Euratom JRC

Latest News Highlights

Projects in partnership with other institutions

Projects of brilliant researchers (jr/sr)

Human resources in research

Research capacities

COOPERATION – Themes

Top-down approach with calls divided in the following themes

- **Health**
- Food, Agriculture and Fisheries, Biotechnology
- **Information & communication technologies**
- Nanosciences, nanotechnologies, materials & new production technologies
- **Energy**
- **Environment** (including Climate Change and **Cultural Aspects**)
- **Transport** (including aeronautics)
- **Socio-economic Sciences and the Humanities**
- Space
- Security

PAY ATTENTION to all calls as they might have specific topics on “economic aspects of..” energy, health, transports, etc.

IDEAS – ERC

- Bottom-up approach
- Excellence in research as the sole criterion
- 25 “panels” in 3 “domains”
 - Social Sciences and Humanities
 - Physical Sciences and Engineering
 - Life Sciences
- 4 funding programmes
 - Starting Grants (starters/consolidators)
 - Advanced Grants (senior researchers)
 - Proof of Concept (pre-commercialisation of ideas funded with a Starting/Advanced project)
 - Synergy (interdisciplinary research with added value by a small group (2/4) of PIs and their teams with complementary skills)

PEOPLE – Marie Curie

- Funds for the mobility of the researchers and their career development

Young

- ITN Initial Training Network

Life long training

- IEF Intra-European Fellowships for Career Development
- ERG European Reintegration Grants
- IRG International Reintegration Grants
- COFUND Co-funding of Regional, National, and International Programmes

International Dimension

- IOF International Outgoing Fellowships for Career Development
- IIF International Incoming Fellowships
- IRSES International Research Staff Exchange Scheme

Industry-Academia

- IAPP Industry-Academia Partnerships and Pathways

CAPACITIES

- Enhancing research and innovation capacities throughout Europe, in particular in the following areas:
 - Research infrastructures
 - Research for the benefit of SMEs
 - Regions of knowledge and support for regional research-driven clusters
 - Research potential of Convergence Regions
 - Science in society
 - Support to the coherent development of research policies
 - International cooperation

14-07-2011

Update 14/07/2011 - Corrigendum
The Corrigendum replaces point 1.6 "Financial Regime" of the Guide for Applicants. This updated Guide for Applicants (Specific part - version 2011.2) must be used only.

History

Information Package

Key documents required for the preparation of your proposal

In order to receive a complete Information Package for this call:

1. The call fiche (only available in .pdf format)
2. The work programme (.pdf format)
3. FP7 factsheets in your preferred language - an overview (.pdf format)
4. The Guides for Applicants relevant to the funding schemes used in this call (.pdf format)

All files have been treated uniformly and compressed to facilitate the access to the individual documents and to optimise the speed of transfer. To access the files, you will need a file compression utility capable of opening the '.zip' format.

Participant Portal V3.1.1 (07/2011)

- The Participant Portal has become the European Commission's single authoritative website for the publication of FP7 calls. The FP7 call-related information is no longer published on CORDIS. Users of the 'Find a call' section on CORDIS are redirected to the relevant pages of the 'FP7 Calls' section of the Participant Portal.
- Additional services such as RSS feeds, deep linking and e-mail notifications are also provided and users are requested to sign up for these services on the Participant Portal

FP7 Calls for 2013

- The 10th of July the EU published the calls for 2013 of the 4 programmes (single date)
http://ec.europa.eu/research/participants/portal/page/fp7_calls#
- The deadlines of the various calls are spread between September 2012 and April 2013
- The Research Division is at disposal of the Bocconi faculty for information and support in the preparation of the project proposals
- Please note that for some calls Bocconi will submit several proposal; it is very important to plan all activities in advance in order to respect the (very strict) deadlines
→ Please express your interest to participate to any call by sending as soon as possible an email to divisione.ricerca@unibocconi.it
