

ASSISTANT PROFESSOR POSITIONS ANNOUNCEMENT

**Department of Decision Sciences
Bocconi University, Milan, Italy**

Università Bocconi, Milan (Italy, www.unibocconi.eu) invites applications for tenure-track and postdoc positions at the junior faculty level in the Department of Decision Sciences.

There will be a special emphasis for the areas of:

- Applied Mathematics/Optimization
- Applied Statistics and Econometrics
- Decision Theory and Game Theory
- Probability and Theoretical Statistics
- Quantitative Methods for Operations Research and related fields.

Knowledge of Italian is neither required nor advantageous. Responsibilities include teaching and, most importantly, productivity in research. Preference will be given to the most qualified candidates independently of their specific field of research. Applicants should have— or be close to completing — a Ph.D. and proof of having established potential in research and teaching.

Contracts will run for up to eight years (with one paid sabbatical year and subject to renewal after the first three years). There is the possibility of promotion to a tenured position by the end of that period.

Compensation and teaching load will be competitive with other top European Schools.

Application must be submitted online at

www.unibocconi.eu/jobmarket

Applications must be received by **Sunday December 2, 2012**.

Candidates whose fields of interest are in the broad area of Operations Research and Management Science may be interviewed at the 2012 INFORMS meeting in Phoenix. Such candidates must send their applications by **Monday October 1st, 2012 (Italian time)** through the online form at: **www.unibocconi.eu/jobmarket**

Candidates whose fields of interest are Decision Theory and Game Theory, and Econometrics (and related fields) may be interviewed at the 2013 ASSA meetings in San Diego.
