

ASSISTANT PROFESSOR POSITIONS 2016

Department of Management & Technology
Bocconi University, Milan, Italy

The Department of Management & Technology at Bocconi University has two openings for full-time tenure-track faculty positions at the Assistant Professor level, starting in September 2016. All areas of management research and scholarship will be actively considered. However, for this recruiting period, we are particularly interested in candidates with a focus on Applied Psychology and Strategy/Organization in Technology-Intensive Industries.

The Department of Management and Technology has a long tradition of intellectual accomplishment anchored by senior leaders in the fields of technology, strategy, and organization theory. In 2015 the department was ranked 7th worldwide (3rd in Europe) for business and management in the QS Worldwide University Ranking, which weighs research productivity, academic reputation, and reputation among recruiters. The department is in a sustained period of growth and internationalization, with 14 faculty members hired across all levels in the last four years.

Applicants should demonstrate the capacity for exceptional research achievement and the ability to teach effectively in undergraduate, masters, MBA, and PhD programs. In addition, experienced candidates should have an established track record of successful research and teaching.

Applications should be submitted via the on-line e-form which can be found at www.unibocconi.eu/jobmarket

Applications will be considered within 30 (thirty) days starting from the day after the date of publication of the notice in the Gazzetta Ufficiale. Only selected candidates will be contacted for further steps.
