

Bocconi

**EXCHANGE PROGRAM WAITING LIST
2021-2022
GRADUATE SCHOOL**

In light of the general uncertainty and fluidity of the global situation, slots available at the time of the application and teaching methods (physical, blended, online) at Partner Universities may be subject to change at any time.

Bocconi University does not guarantee, in any case, that the Exchange semester will take place, whether the overall conditions would not safeguard the wellbeing and security of students.

In case a slot becomes available in one of the destinations, you will be progressively called according to your position in the waiting list rankings. Slots become available only in case a selected student decides to withdraw; therefore, we cannot guarantee nor foresee if and when a slot will be available. Please note that you will not receive updates on your position in the waiting list, after withdrawals, but you will only receive an e-mail once and if you are selected.
