ASSISTANT PROFESSOR OF STATISTICS AND MATHEMATICAL METHODS FOR ECONOMICS AND FINANCE

Department of Decision Sciences
Bocconi University, Milan, Italy

Description

The Department of Decision Sciences is an amazingly vibrant academic community with leading professors. It is located in central Milan, Italy, offering undergraduate, graduate, PhD, MBA and Executive programs.
Applications from outstanding candidates are invited for tenure-track positions at the Assistant Professor level in the areas of interest of the Department, which include Statistics and Mathematical Methods in Economics, Finance and Actuarial Sciences. The appointments will commence in Fall 2020.

Qualifications

Applicants should have, or be close to completing, a Ph.D. and show high potential in research.

Job information

The successful candidates will be expected to develop a strong publication record, broadly contribute to the academic life of the department and be effective teachers both at the undergraduate and graduate level.
Compensation and teaching load will be competitive with other top European Schools.

Further details on the position may be requested from recruiting@unibocconi.it .

How to apply

Applications must be submitted online at www.unibocconi.eu/jobmarket .

Closing date

Applications must be received **by December 9th, 2019**.

Please note: We will interview at the ASSA meeting in San Diego (January 2020).

Bocconi University is committed to increasing the diversity of its faculty. Applications are particularly welcome from women and members of groups who are under-represented in academic posts.
