

COMPETITION BY EXAM AND ACADEMIC TITLES, ANNOUNCED ON 1 APRIL 2020, PROT.N. 22351 FOR THE AWARD OF 1 RESEARCH FELLOWSHIP WITH A DURATION OF TWO YEARS FOR THE SECTOR 13/D1 STATISTICS AT THE CENTER BIDSА – Bocconi Institute for Data Science and Analytics OF UNIVERSITÀ COMMERCIALE "LUIGI BOCCONI" OF MILAN, PROJECT PRIN 2017 (CUP J54I19001110001) “Unfolding the secrets of longevity: current trends and future prospects (SELECT)”

Minutes 1

The Evaluation Committee of the competition by exam and academic titles for the award of 1 Research Fellowship within the sector 13/D1 STATISTICS (Scientific Sector SECS-S/01 STATISTICS) with a duration of two years at the Center BIDSА – Bocconi Institute for Data Science and Analytics of Università Commerciale "Luigi Bocconi" of Milan is made up of:

- Prof. DANIELE DURANTE, Assistant Professor [Tutor for the research project]
- Prof. IGOR PRÜNSTER, Full Professor
- Prof. RAFFAELLA PICCARRETA, Associate Professor

It met on May 20th, 2020 at 16:00 by means of a conference call to decide the scores to assign to the research and academic titles and publications.

The Committee has appointed Prof. Daniele Durante as President and Prof. Igor Prünster as Secretary.

The Committee took note of the regulations set out in the notice of competition that the maximum points to be assigned are as follows:

- 30 points out of 100 for the evaluation of CV, academic titles and research experience;
- 30 points out of 100 for the evaluation of scientific publications;
- 40 points out of 100 for the evaluation by interview.
-
- 100 points out of a total of 100

Only candidates who achieve a minimum of 40 points in the evaluation of CV, titles and publications will be admitted to be evaluated by interview.

Having read the applications and titles submitted by the candidates of the competition, which were all compliant with what was set out in the competition notice, the following points were assigned:

BARTALONI FRANCESCO	25 points	Evaluation of CV, academic titles and research experience
	12 points	Evaluation of scientific publications
TOTAL	37 points	

The candidate holds a Ph.D. in Mathematics from the University of Pisa. He has a good CV and a fair list of published/submitted articles in peer-reviewed journals. These contributions are, however, far from the research program’s activities, research methods and contents of the project indicated in the present call.

BERRETTINI MARCO	20 points	Evaluation of CV, academic titles and research experience
	15 points	Evaluation of scientific publications
TOTAL	35 points	

The candidate is a Ph.D. student in Statistics at the University of Bologna. He has a good CV, and two conference proceedings, both in the field of Statistics. These contributions are consistent with the focus of the research project indicated in the present call, but his publications list has no articles in major peer-reviewed Statistics journals.

CATALANO MARTA	22 points	Evaluation of CV, academic titles and research experience
	15 points	Evaluation of scientific publications
TOTAL	37 points	

The candidate is a Ph.D. student in Statistics at Bocconi University. She has a good CV, one conference proceeding and some submitted/working papers, all in the field of Statistics. These contributions are consistent with the focus of the research project indicated in the present call, but her publications list has no articles in major peer-reviewed Statistics journals.

EL-MALLAKH NELLY	25 points	Evaluation of CV, academic titles and research experience
	10 points	Evaluation of scientific publications
TOTAL	35 points	

The candidate holds a Ph.D. in Economics from the University of Paris 1-Panthéon Sorbonne. She has a good CV, one published peer-reviewed article, one book chapter, and some reports and submitted/working papers. These contributions are, however, far from the research program's activities, research methods and contents of the project indicated in the present call.

FASANO AUGUSTO	22 points	Evaluation of CV, academic titles and research experience
	14 points	Evaluation of scientific publications
TOTAL	36 points	

The candidate is a Ph.D. student in Statistics at Bocconi University. He has a good CV, and various submitted/working papers, all in the field of Statistics. These contributions are consistent with the focus of the research project indicated in the present call, but his publications list has no articles in major peer-reviewed Statistics journals.
